

Tumbling Technical Panel Meeting

Location: Teams

Date: Wednesday 24th April 2024

Time: 12pm

Attendees: Joy Sumner, Shelley Pace, Elle Langham-Walsh, Holly Broad

- ELW to contact volunteer chaperone pool & approach JT around team manager role.
- HB to share EOIs for national coach applications.
- HB to ask BG about opportunities for Welsh tumblers access English camp opportunities.

Squad Trials:

- Additional squad trialists discussed by Technical Panel. Conflicts declared by TP were taken into consideration and relevant individuals were not involved in the discussion/decisions where they had conflicts.

RCC Finals:

- 8 coaches per discipline – ELW to confirm with BG if this is alongside TRA coaches or as well as.
- If 8 coaches are allowed, there are 8 clubs – all in agreement with each club nominating one coach. Last year, time put together a timetable regarding which coaches where, podium training needs to be organised better. One member suggested top place gymnasts coach goes on the floor. Suggestion that qualification level would need to be considered. Clarity on how many coaches are allowed and can then decision to be made.
- Need a chaperone for both tumbling and trampoline/ DMT. ELW – could we ask the volunteer chaperone pool? All in agreement with this.
- Team Manager position discussed.

Squad Coach:

- HB to share EOI for coaches following meeting.
- HB to ask British Gymnastics about these opportunities. Currently lots of cross collaboration across Home Nations.
- HB – everyone to digest and think of possible options for what squads look like. SP – 2/3 day camps. HB – Lilleshall is currently booked for a MAG camp and could possibly look at sharing the facility.
- England camps would be good from a coach development perspective.

Competition Awards Proposal:

- HB shared proposal from events team.
- HB gymnasts in multiple disciplines are getting different things, parents commenting on cost being the same. Comment - need to do everything the same then, leotards design, look borrow / etc.. cost

Regional Team:

- Why can't leotards be loaned? WG would have to buy them outright. Less gymnasts competing in WAG which is why this is possible. Options being explored.
