## Section 2 - Judges

### Judging qualifications

### Supplying judges/ratios

Clubs entering competitions are required to nominate and supply a judge or judges for the day(s) on which their gymnasts are competing. If a Club's competitors cover various age groups / grades it will be necessary to provide a judge for each day of their competition (please see below). Numbers of gymnasts are across the full competition, not per day. Whilst we will do our best to put judges on the same day as their club's competing gymnasts, this is not a guarantee. Club's need to provide judge availability to the competition organiser before the entry deadline and ratios will be determined based on numbers at entry. The number of judges required is as below\*:

- 1 – 4 gymnasts entered – 1 judge for one whole day
- 5 – 9 gymnasts – 1 judge that can judge two whole days, or 2 judges that can judge one whole day each
- 10 – 14 gymnasts - 3 judges (e.g. 3 judges for 1 day or 2 judges on one day, 1 judge on one day).
- 15-19 gymnasts - 4 judges (e.g. 4 judges for 1 day or 2 judges on one day, 2 judges on one day).
- 20 + gymnasts – 5 judges (e.g. 5 judges for 1 day or 3 judges on one day, 2 judges on one day).

As per the Generic Competition Handbook, at least one regional judge or above will now be required as part of the ratio for qualifying competitions and identified pathway competitions when entering more than 3 gymnasts. For Trampoline/DMT, this is any competitions listed within this handbook. If you have any concerns around this, please get in contact so we can look to support you in accessing a course/exam or connecting you with other regional judges. If you have any then please email [performance@welshgymnastics.org](mailto:performance@welshgymnastics.org) to gain dispensation from the technical panel.

These rules must be enforced to ensure that all competitions can run. It is important that we have club judges and enough numbers of regional (or higher) judges at each competition to ensure fairness and expertise to recognise the work that our gymnast and coaches are producing.

*\*Where the competition is across one day, the identified ratio would remain the same (e.g., 1-4 gymnasts = 1 judge, 5 -9 gymnasts = 2 judges, 10-14 gymnasts = 3 judges)*

## Section 3 – General Rules and Penalties

General rules and penalties as per FIG Code of Points and Welsh Gymnastics membership rules / terms and conditions, however, for all events held by Welsh Gymnastics, excluding Welsh Championships, no attire deductions will be taken. Welsh Championships are governed by FIG rules unless otherwise specified. Please refer to British Gymnastics handbooks for any British Gymnastics competitions.

## Competition Attire

Appropriate attire for Welsh competitions on top of regular FIG rules:

- Shorts and leggings are accepted, but clothing must be fitted and not restrict the view of the judges.

## Section 5 – Competition Apparatus

Equipment specifications will be detailed in all correspondence prior to the competition.

## Section 6 – Competitions

It is the responsibility of the coach to select the most appropriate grade and pathway for their gymnasts. There is an expectation that gymnasts are appropriately prepared for their competition and that the correct pathway is chosen, considering a gymnast's likely development and progression.

There are 3 main Competition structures currently available in Wales:

- Schools
- Regional Pathway
- Cardiff Open / Welsh Championships

### Welsh Squad Participation

Gymnasts selected for a Welsh Gymnastics squad are expected to compete at levels that align with the standards demonstrated during their selection.

- Foundation Squad: Participation at a minimum of Silver level is required. Min RCC 2, Schools Elite
- Development Squad: Participation at a minimum of Gold level is required. Min RCC 3, Schools Elite
- Performance Development/Performance Squad: Participation at a minimum of Platinum level is required. Min RCC 4, Schools Elite

In exceptional circumstances (e.g. injury), if a gymnast is unable to meet the requirements of the level, please email [performance@welshgymnastics.org](mailto:performance@welshgymnastics.org) to request permission from the Technical Panel to enter a lower level.

### Schools

For eligibility into BSGA schools' events please refer to the eligibility requirements found within the BSGA Competition Handbook.

The Welsh Schools Competitions is the one of the first of three rounds - Regional, Zonal (semi-final), followed by a National Finals.

The UK has been split into three Zones, each comprising of a number of regions, as follows:

- Northern Zone: North, North West, Yorkshire and North Midlands, N. Ireland.
- Central Zone: Eastern, East Midlands, West Midlands, Wales.
- Southern Zone: South, South West, London, South East.

The rules are set out by the British Schools Gymnastics Association (BSGA). Schools need to be affiliated to WG, but gymnasts do not need WG membership to compete.

Gymnasts compete representing their school and all Entry forms must be signed by the school. The top 3 individuals and top 2 teams from each group go through to the next round.

## Regional Pathway

### Club and Regional Series

For routines, age groups, and levels please see the Trampoline Technical Resources section of the BG website ([Trampoline Gymnastics Technical Information](#)). These competitions will be judged as per the FIG 2022 – 2024 Code of Points.

For the regional cup series, the top two scoring gymnasts (not including TOF), across the three competition opportunities in Wales, from each of the levels and gender categories below will be selected to represent (the region of) Wales in the British Finals.

For 2026 onwards, gymnasts who do not demonstrate the minimum difficulty performance standard at the Regional Final will not be eligible (and should be skipped over in favour of the next qualifying gymnast in the event they rank in the top two).

Gymnasts competing in the club series will require bronze membership with gymnasts competing in the regional series requiring silver membership.

## Welsh Championships / Cardiff Open

The Welsh Championships and Cardiff Open are an annual event showcasing the best in Wales but also giving an opportunity to everyone in Wales and outside Wales.
